

Hello from the PAC!

December Newsletter

DO YOU HAVE A STORY? Our local newspaper is looking for letters to Santa to publish over the next few weeks. If your child has a story or letters to Santa please send them directly to:

hettie.buck@starjournal.net or editor@clearwatertimes.com

We are doing a SCHOOL-WIDE competition to see how we can support our local food bank! The class with the most items collected from Dec. 5th to Dec. 15th will be receiving a party on the PAC for their work. We have spoken to the food bank about what items they are looking for this year and to name a few are: cranberry sauce, gravy, stuffing, chocolates, hot cocoa mix and we ask to make sure all items are within the expiry date. Although these are different items than normal they are seasonal and we are hoping to brighten up some families holidays this year with essentials as well as a few treat items.

What's new this year?

We will be supporting the school as they shop for holiday decor for the Holiday Concert. We are hoping to buy a new **microphone** in time for the concert!

We have sponsored the One to One Reading Program and have the program running three days per week! We are always looking for volunteers for the program!

We just bought the school two new hockey nets, and the supervisors some extra walkie talkies.

We reached our Purdys goal! We will be doing a school-wide Pizza lunch to celebrate once we get back from winter break.

The school-wide art project is being worked on! It's going to be a beautiful piece for everyone to enjoy.

The kiln is being used and we can't wait to see how the first project turns out.

What are we working on?

Purdy's Fundraiser

We met our Purdys Fundraising goal!! Great job everyone.

Our PAC members will be working like elves Wednesday, Dec. 6th evening (as long as the truck arrives that day which is only dependent on roads) and it will be ready to be picked up Thursday, Dec. 7th in the library during school hours. Make arrangements with us if you would like your chocolate sent home with a student! We are always looking for volunteers to help sort and help hand out!

We are hoping to be able to support classes with two field trips each this year! This is all possible because of your continued support to our fundraisers!

Gardening Grid

- We are working with some Barriere gardening experts so stay tuned for what we come up with. Something very neat is coming together and we can't wait to share it with you all!

Track and Field Day

- We are always looking for volunteers to help out on this day! Grade 4-6 parents come and volunteer and watch your kiddos compete.

FUNDAY

Give us some feedback on Funday last year and any new ideas that you can help with, let us know!

Next Meeting

January 12th @ 9:00 in the school library.
