## Principal's Message

Happy May everybody!

It is hard to believe that we are down to the last two months of school, but here we are. I would like to thank our PAC for supporting and organizing a great Substance Awareness event at BES held in late April at BES. Parent and student turnout was strong and the information and presenters did a fantastic job helping provide some valuable education points regarding substance abuse.

I would also like to congratulate and wish our students good luck as they head to Kamloops to compete in the Zone Track and Field events for a chance to move on to Districts.

As we move into the final months of school please continue to encourage your children to work hard and stick with school routines, including shutting off the screens, enjoying the longer days, and getting a good nights sleep.

We look forward to great finish to the school year and all the upcoming events and field trips yet to happen. Happy Spring!
